

Imago Health is looking for an Intake Coordinator.

News Release Date

04-18-2023

Notice: Imago Rehab is currently looking for an intake coordinator.

Imago Rehab is a startup spun out of Harvard University developing a robot-assisted virtual clinic for stroke recovery. Imago's mission is to restore independence to individuals with physical impairment through accessible, evidence-based care.

Job description and contact information can be found in the file below.
